## CB101 The Circle Bible Dream - 1970?

I am facing an old country store. The scene changes and I'm inside the store. Next, I'm standing near the end of a long wooden counter. The lighting is dim. I can hardly see some objects behind the counter.

I look over the counter for the store clerk, but don't see anyone. After waiting a while, I look down at the countertop where I'm standing. There is a deeply worn area in the surface caused by merchandise sliding on the wooden top. I wonder how many pieces of goods it took to cause so much wear.

The clerk still doesn't show. I look to my left and far down the counter I see what looks like a large, opened book, one about twice the size of a standard Family Bible. There's a hooded desk light over the book. Curious, I wander to where I can get a closer look.

I'm amazed at what I see. It is a Bible, and someone has drawn circles around all the scriptures. There are large circles, medium circles inside the large circles, and small circles inside the medium circles. And there is a number within each circle. I am amazed at what I see.

As I wonder about the circles, a young man comes up behind me. I don't recall his greeting, but I ask what all the circles mean. He says, "This is a Circle Bible. You understand what the Scriptures mean by matching the scriptures whose circles have like numbers." I say, "Boy, I would sure love to have one of these."

### The Dream Interpretation

The old country store is where you "*Buy the truth, and sell it not; also wisdom, and instruction, and understanding*" [Pr. 23:23]. Wood depicts life; the store clerk depicts Jesus. The worn place on the wooden counter depicts the traditional place [way] of studying the Word of God.

Light represents knowledge. Dim light depicts a small measure of knowledge; bright light depicts a large measure of knowledge. The store clerk is absent because the greater measure is further from where most students study.

The bright light over the bible depicts a special way of studying. This Circle Bible is twice the size of family bibles because it depicts this larger measure of knowledge.

### Dream Comments

When I awoke, I knew little about the interpretation. I had seen only two pages of the opened bible, but nothing was clear enough for me to use toward making the dream come true. Page-3 of this lesson shows what one page of the Circle Bible would have looked like had it been opened to the "Foundation of the World" [Ge 1:2-31].

The dream came sometime between 1963 and 1970. From then to 2010, I received many revelations relative to the Circle Bible, but was unaware these were preparing me to receive the bible I desired in the dream.

In March 2010, however, I received a revelation that led me to "see the forest instead of the trees." That revelation teaches why Israel journeyed three times to the Tabernacle each year [De 16:16.]

De 16:16: *Three times in a year shall all thy males appear before the LORD thy God in the place which he shall choose; in the feast of unleavened bread, and in the feast of weeks, and in the feast of tabernacles: and they shall not appear before the LORD empty:*

A study of Israel's 7 yearly feasts in Le 23:1-44 reveals that 3 of these 7 feasts include all 7. De 16:16 outlines these: The "Feast of Unleavened Bread" [ULB] includes the feast of "Passover" and the feast of "Firstfruits." The "Feast of Tabernacles" includes "Trumpets" and "Atonement." And the "Feast of Weeks" stands alone.

This is the revelation: [1] The "Feast of ULB" is an assembly in which we learn doctrine. Sunday School and Bible Study fulfill this visit. [2] In the "Feast of Weeks," we practice what we learn in ULB. [3] And in the "Feast of Tabernacles," [also called "Ingathering"], we win souls of Christ via evangelism.

Consider the likeness between these 3 assemblies and one's pursuit of a secular career. Start with a trade school. There are many choices; let's pick one that teaches electronics. One popular pattern has two steps followed by a 3rd step separate from the school.

Step-1: Each morning, the student attends "Class" in which a teacher draws some symbols on a blackboard and explains how their components work together to perform a particular function.

Step-2: In the afternoon, the student attends "Shop" during which he assembles the components. He "learns by doing" and is satisfied with his accomplishment. He practices what he learned in Class.

Step-3: After following Steps 1 and 2 until graduation, he says good-bye to his teacher and fellow students and enters the job market. There, he becomes skilled in what he learned in Class and practiced in Shop.

Trade Schools may oversimplify the 3 appearances; you may know one more applicable. But think on how Paul teaches spiritual gifts [Class] in 1Co-12 and his follow up in 1Co-14. Notice his exhortation to "learn" [Shop] in 1Co 14:31: "*For ye may all prophesy one by one, that all may learn, and all may be comforted.*"

## CB101 The Circle Bible Dream - 1970?

Now let's lay a foundation for Part-1 of these lessons. CBSM is an acronym for "Circle Bible Study Method." Jesus gave me the name for this course in the dream. Thus, CB [Circle Bible] is part of each lesson title.

The Circle Bible is the same as other bibles. The one you use now becomes a Circle Bible as you divide and number the scriptures according to the pattern I saw in the dream. Thus, the CBSM makes any bible into a Circle Bible.

Page-3 of this lesson shows a chart that is like what I saw in the dream. One large circle encloses each bible story. Two medium circles within this large circle enclose the KH and the KG. A 3rd medium circle within the large circle encloses the 9th and 10th parts of this story. And 10 small circles enclose each of this story's individual parts.

This Circles Chart is a sample of what I would have seen had the Large Bible been opened at the Story of the Seven Creative Days.

Because the Circle Bible is the same as your bible, there is nothing in the Circle Bible that is not in your bible. Here are some subjects and texts that introduce and help explain the Circle Bible Study Method:

The Foundation of the World	Ge. 1:2-31
Isaiah's Study Method	Isa.28:9-13
Israel's Yearly Feasts	Le. 23:1-44
Bob Mumford's Four "Ps"	[Modified]
The Ten Commandments	Ex. 20:1-17
Six Principles of Doctrine of Christ	Heb. 6:1-2
The animals in Noah's Ark	Ge. 6:13-16
Jacob takes Laban's Cattle	Ge. 30:27-30
The colors of Jacob's Cattle	Ge. 30:31-33
Abraham's Inheritance	Ge. 15:1-21

This website hosts some lessons that supplement the teachings in this course. When applicable, I will suggest the ones that enhance our discussions. I have listed the ones recommended for Part-1 of this study for those who would like to read them early.

When completed, this course will contain four parts. Part-1 explains and demonstrates the CBSM's groups of 18 stories. These Major in doctrine and Minor in history.

Part-2 will explain and demonstrate the CBSM's groups of 10 stories. These Major in history and Minor in doctrine.

Part-3 will explain further Architectural Design of the Circle Bible Study Method. This part may not interest every student, but the nuts and bolts it explains helps to interpret story charts in groups of 18 and in groups of 10.

Part-4 contains charts of stories in both groups. You need to download "Why and How you can work Miracles" for use in Part-1 of this course.
